A different kind of Christmas

This Christmas, swap the usual restaurant or hotel for 500 acres of Kent countryside, a beautiful country house and a celebration of your own.

Whether you're looking for a relaxed day away from the office, a memorable Christmas party or an overnight team celebration, Bore Place offers the space to make it your own.

Our historic houses are dressed for Christmas and yours to enjoy. Gather around the table for delicious festive food, head outside for an activity together, celebrate into the evening and, if you'd rather not go home, stay the night.

No two teams are the same, so we don't believe in one-size-fits-all Christmas packages. We can create a bespoke day or overnight stay combining great food, activities, accommodation and celebration around your group. We can accommodate 60 people overnight or 100 for a special meal in our barn.

Festive food worth gathering around

Food is at the heart of a Bore Place Christmas. Our kitchen creates generous, seasonal festive menus using organic and locally-sourced ingredients wherever possible, with locally-reared meat, alongside fantastic vegetarian and vegan Christmas menus.

From a festive lunch to a full evening celebration, we'll work with you to create options that suit your team.

Do something different together

Swap the usual office Christmas party for an experience you'll actually remember. Depending on your group, we can build activities into your day or stay, including:

- Christmas wreath making
- Festive baking
- Making Christmas decorations from green willow
- Chutney making
- Wildlife and seasonal nature walks, including after-dark walks
- Yoga and breathwork
- Hands-on outdoor sessions with our ranger team, helping to care for and manage the estate

We can also help arrange evening entertainment, from murder mysteries to music and dancing.

Stay the night

One of the joys of celebrating at Bore Place is that nobody has to rush away. Our characterful country houses mean your team can eat, drink, gather around our log burner and celebrate together before heading upstairs for a good night's sleep in our comfy beds.

End the evening around the firepit, toast marshmallows, look up at the stars and enjoy being somewhere a little removed from everyday life.

Come for the day, stay for a night, or make a proper retreat of it.

A venue with purpose

By choosing Bore Place for your Christmas celebration, your time here will have a lasting impact beyond your stay. As a charity, income generated through venue hire helps fund our work with children, young people and communities, connecting people with nature and inspiring action for a more sustainable future.

Our team was genuinely blown away by the beautiful venue, the lovely farm tour, and all the warm, engaging chats with their staff. It was the perfect setting for us to unwind, connect, and enjoy some real quality time together. We're already hoping to come back.
