

Hospitality/Catering Internship

Duration: 12 months

Hours: 35 hrs/wk

Salary: up to £7,675

Location: Bore Place, Chiddingstone, TN8 7AR

Are you an enthusiastic and motivated person looking to take your first steps into a **hospitality or catering career**?

Bore Place, an educational and environmental charity and venue near to Chiddingstone, is excited to offer a 12 month paid internship programme to a young person looking to start their catering or hospitality career. We are looking for someone who is friendly and personable, and able to show initiative. You'll also need a good work ethic, a positive attitude and excellent communication skills to provide stand-out service for our guests.

We are looking for someone willing to make a 12 month commitment and in return we will pay you up to £7,675 (depending on age and experience) and provide you with flexible working, free parking and 28 days a year holiday (including bank holidays), as well as a programme of training and development to ensure that, at the end of your time with us, you will have acquired a set of skills that will set you up for the next step in your career.

The role is for 35 hours per week and will be split into two parts. 20 hours per week will be spent working in our venue and housekeeping team, providing exceptional levels of cleanliness and service to the guests using our venue. This will give you hands-on experience working as part of a fantastic team and learning the basics of venue management. The remaining 15 hours will be spent training in our kitchen, developing your catering skills and working alongside our venue manager learning about the inside workings of an organisation committed to providing an environmentally conscious venue, with a focus on food, farming and sustainability. We will design the 15 hour training programme with you to meet your career interests.

Bore Place is situated on an organic dairy farm and hosts corporate groups, weddings and other functions. We are very proud of our food and offer a seasonal menu made with ingredients supplied by our own organic farm and market garden.

Due to our rural location you'll need to be able to arrange your own transport here.
