## Important information about your visit

- Please ensure pupils bring a packed lunch
- Please ensure that pupils wear suitable clothing: this should be something that won't spoil if it gets a bit dirty and should be appropriate for the season of your visit. At all times of the year, the optimum clothing includes waterproofs and wellies.
- **It is essential that all pupils and participants bring two pairs of footwear: a pair suitable for the tour of the farm (ideally wellies) and a pair for indoor/travel use.**

## Summary of activities

### Fairtrade Cooking and chocolate tasting!

Pupils will make pancakes and choose their toppings, an ethical dilemma between Fairtrade and local/organic. Blind tasting – does Fairtrade chocolate taste different?

### Fairtrade activities

Hands-on activities to explore the meaning of Fairtrade. The 'string game' enables pupils to visualise the links between themselves as consumers and the producers. Through the 'pancake game' pupils will gain insight into the difficulty producers have attempting to afford to live on less than the living wage (i.e. not Fairtrade producers).

### Waste audit

Pupils will be encouraged and helped to sort their lunch leftovers into containers for recyclable and non-recyclable items, as well as food waste for composting.

### Tour of farm

Pupils will visit the farm to discover the inputs, outputs and processes of a working organic dairy farm system, and the choices farm staff need to make.
