Time	Activity
10:00	Arrive, welcome and introduction
10:15	Make a mosaic
11:15	<ul style="list-style-type: none"> <li>▪ Brief walk around the grounds of Bore Place to see different examples of recycling</li> <li>▪ Grouting mosaics</li> </ul>
12:15	Lunch and waste audit
13:00	Tour of farm
14:00	Programme ends

### Important information about your visit

- Please ensure pupils bring a packed lunch
- Please ensure that pupils wear suitable clothing: this should be something that won't spoil if it gets a bit dirty and should be appropriate for the season of your visit. At all times of the year, the optimum clothing includes waterproofs and wellies.
- **It is essential that all pupils and participants bring two pairs of footwear: a pair suitable for the tour of the farm (ideally wellies) and a pair for indoor/travel use.**

### Summary of activities

#### Make a mosaic

Pupils will create a mosaic using recycled ceramic tiles and broken crockery. These will be grouted later in the day ready to take back to school.

#### Walk around the grounds of Bore Place

Pupils will have the opportunity to see various examples of recycling happening around the site, including composting, bottle banks and recycling in the vegetable garden.

#### Waste audit

Pupils will be encouraged and helped to sort their lunch leftovers into containers for recyclable and non-recyclable items, as well as food waste for composting.

#### Tour of farm

Pupils will visit the farm to see our organic dairy cows (and their calves in autumn). They will also learn how the cows are looked after, what they eat and what they produce. They will also see examples of recycling on the farm.

## **Links to the New Primary Curriculum**

**A Spring Recycled Arts Day programme contributes to the following curriculum areas:**

### **KS1 Design and Technology**

#### **Cooking and nutrition**

- understand where food comes from. (KS1)

### **KS1+2 Art and Design**

#### **Art and Design**

- develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space. (KS1)
- improve their mastery of art and design techniques, including drawing, painting and sculpture with a wide range of materials. (KS2)
