YOUR PERFECT DAY AT BORE PLACE

Bore Place lies in the beautiful Kent countryside, just 25 miles from London. A charming, historic Jacobean manor house is the focal point of this rustic country estate.

The house is surrounded by pretty gardens alive with flowers in the summer months, as well as 500 acres of rolling green fields and ancient woodlands. A walled garden enclosing a reflecting ornamental pond creates a stunning backdrop for your wedding.

RELAXED USE AND FLEXIBILITY

We actively encourage you to use the house and grounds as your own to make your day just how you want. Get in touch to talk through any ideas you have, and we'll help you make the most of the space and bring your vision to life.

We only hold a small number of weddings a year to ensure that we can give each one the attention it deserves. We will be on-hand throughout your planning and will support you on the day to ensure you can relax and enjoy yourselves.

DO IT YOUR WAY

Time flies! Many couples choose Bore Place for their wedding so that their guests can stay overnight, and their celebrations can last for a whole weekend. We can accommodate 65 guests on-site, with extra capacity for campers and glampers.

All our accommodation has fully equipped kitchens, dining rooms and comfortable sitting rooms with access to the gardens of Bore Place.

SPACES

There are several licensed rooms and outdoor spaces at Bore Place where you can hold your ceremony, and all can be set up exactly how you like.

All our spaces are adaptable. Most can be used for ceremonies as well as the celebrations.

The Hide in Bore Place Garden

The Hide is a magical, idyllic setting for your ceremony, seating up to 100 guests.

The Large Barn

A restored 17th century timber building, the Large Barn is a flexible space and makes a perfect venue for a traditional or vintage style ceremony, seating up to 100 guests.

The Drawing Room

A large, traditionally furnished drawing room with a stunning open fireplace overlooking pretty organic borders and beds informally planted around a laid lawn, seating up to 70 guests.

The Studio

A bright, contemporary panelled room, seating up to 50 guests and with direct access to the enchanting terrace overlooking the walled garden and ornamental pond.

FOOD & DRINK

We work with a number of carefully selected partners who you can choose from to provide your food and bar. Our catering partners have been carefully chosen for their high standards, flexibility and shared values. They can meet all budgets and tastes.

They are also very experienced at catering for vegan and vegetarian weddings.

We do not charge a corkage fee and nor do our catering partners. Bar staff can be arranged through your chosen caterer. Most couples choose to source their own drinks, or alternatively, this can be sourced through our catering partners.

We provide ample refrigeration for drinks in the Large Barn.

THE LEGACY OF YOUR DAY...

By holding your wedding at Bore Place, the legacy of your big day will live on. All profits from weddings are directed straight back into our educational courses and programmes to support young people. Bore Place believes in a world where people and nature work together to regenerate the planet and ourselves.

We challenge conventional ideas and behaviours with fresh thinking. For us being a ‘not for profit’ is something we are really proud of and enables us to lead in the areas of social change we believe in.
