

BORE PLACE WEDDINGS

# YOUR PERFECT DAY AT BORE PLACE

Bore Place lies in the beautiful Kent countryside, just 25 miles from London. A charming, historic Jacobean manor house is the focal point of this rustic country estate. The house is surrounded by pretty gardens alive with flowers in the summer

months, as well as 500 acres of rolling green fields and ancient woodlands. A walled garden enclosing a reflecting ornamental pond creates a stunning backdrop for your wedding.

## RELAXED USE AND FLEXIBILITY

We actively encourage you to use the house and grounds as your own to make your day just how you want. Get in touch to talk through any ideas you have and we'll help you make the most of the space and bring your vision to life.

We only hold a small number of weddings a year to ensure that we can give each one the attention it deserves. We will be on-hand throughout your planning and will support you on the day to ensure you can relax and enjoy yourselves.

## DO IT YOUR WAY

Time flies! Many couples choose Bore Place for their wedding so that their guests can stay overnight and their celebrations can last for a whole weekend. We can accommodate 50 guests on-site, with extra

capacity for campers and glampers. All our accommodation has fully equipped kitchens, dining rooms and comfortable sitting rooms with access to the gardens of Bore Place.

## SPACES

There are a number of licensed rooms and outdoor spaces at Bore Place where you can hold your ceremony and all can be set up exactly how you like. We can also arrange for a marquee or tipi to be erected in the gardens.

All our spaces are adaptable. Most can be used for ceremonies as well as the celebrations.

### **The Hide in Bore Place Garden**

The Hide is a magical, idyllic setting for your ceremony, seating up to 100 guests.

### **The Large Barn**

A restored 17th century timber building, the Large Barn is a flexible space and makes a perfect venue for a traditional or vintage style ceremony, seating up to 100 guests.

### **The Drawing Room**

A large, traditionally furnished drawing room with a stunning open fireplace overlooking pretty organic borders and beds informally planted around a laid lawn, seating up to 70 guests.

### **The Studio**

A bright, contemporary paneled room, seating up to 50 guests and with direct access to the enchanting terrace overlooking the walled garden and ornamental pond.

## FOOD

Our kitchen is passionate about simple, well-balanced food, using seasonal produce from our own organic farm and market gardens as well as locally-sourced organic food. We can tailor our menus to suit your style, budget and any dietary choices.

You can choose a seasonal menu or something more informal: a BBQ with the finest local organic meat, delicious vegetarian and vegan dishes, a hog roast with our sumptuous salads, or handmade sourdough

pizza cooked to order in our wood-fired oven. Grazing menus can also be created to include sharing platters, cheese boards, sliced meats and dips, accompanied with a selection of our homemade breads.

You are also welcome to bring in your own caterers and suppliers.

## DRINKS

You can provide your own bar for a nominal corkage charge. Alternatively, we are also happy to provide a drinks reception for you and provide a bar serving

locally-sourced cask ales, Fairtrade wines and organic cordials.

## VENUE HIRE INFORMATION

A typical venue hire is Friday midday–Sunday midday including accommodation for up to 50 guests with breakfast of porridge, muesli, eggs, toast, breads and jam, that guests help themselves to.

We also offer mid-week weddings for a reduced rate.

## THE LEGACY OF YOUR DAY...

By holding your wedding at Bore Place, the legacy of your big day will live on. All profits from weddings held here are directed straight back into our educational courses and programmes to support young people. Bore Place is committed to working towards being a model of sustainable living, learning and working. From the energy we use, to the food

we produce and the way we work, Bore Place challenges conventional ideas and behaviours with fresh thinking. For us being a ‘not for profit’ is something we are really proud of and enables us to lead in the areas of social change we believe in.
